BIG SIR JACKIE LOVATO

Hello fellow members of branch 169, Happy Halloween
My wishes are when you receive this newsletter that it will find you in good health.
As our community begins to slowly reopen, I am optimistic that we be gathering for our luncheons soon. In the meantime please continue to social distance and wear your mask. I've said this before and I will say it again, if you or someone you know needs assistance in any way, please, contact me or any one of our committee members. I would like to announce and introduce our incoming Little Sir for next year, Daniel Lindstrom. Also, it's with sadness that I inform you that our friend and treasurer Ben Hager is in the processing of moving to Texas. We appreciate your dedication and service to our branch Ben. We are in need of a new treasurer to take Ben's position. No experience necessary and you will be trained by the best. If interested please contact me or Duane Evans.

MEMBERSHIP

Since the shutdown we have had several members suffer health issues and have accidents. As a group we have not done a very good job keeping up with them. We have discussed it and it will be a priority going forward. Here are a few members that I heard need support. John Kascht recently fell and had to get stitches in his head. He's home being cared for by family. Mike Torigian fell also and has had leg problems since his heart surgery. He's home also. I heard that long time member Bill Marvin had a stroke and is not doing well at all. Please contact these people and let them know they are in our thoughts and prayers. If you hear of anyone with an issue, let us know so we can get the word out.

2020...One reference to 2020 relates to vision. If you have 20/20 vision you can see clearly at a distance of 20 feet. However, I confess I don't see anything clearly which is related to the year 2020. Almost everything from January to October 2020 is a blur. However, (in October, 2020) I have found a few things which are very clear. Since our last newsletter our mountain community in north eastern Fresno and Madera counties has been ravaged with fire and enveloped in daily smoke. Some days it is thick and lingers all day.

My thoughts for this article focused on “2020”
“Vision”...clarity and the
uncertainties we have shared.

Scott Barcus, Little Sir-2020
